

Antislip underlays for rugs | FOXIGRIP

| Hard or smooth floors

FOXIGRIP is a antislip underlays for rugs, suitable for use on hard or smooth floors such as ceramic or unfilleted stone flooring, laminated and untreated flooring, etc. It holds rugs in place on floors and avoids rippling and distortion. Ideal for Kilim rugs.

COMPOSITION

- Glass fibre/PES coated on both sides with PVC foam.

INSTRUCTIONS

- Laid under the entire surface of the rug, set back slightly from the edge.
- For large rugs, lay sections side by side

CERTIFICATION

- Complies with Oeko-tex® 100 class I
